PLACE THE BALL
OF YOUR FOOT
AGAINST THIS
LINE

Instructions

1. Place the chart on a smooth, uncarpeted surface with the heel link against a wall.
2. Remove shoes and socks. Stand and place your right foot on the chart with your heel against the wall. The ball of your foot should be against the width line located on the left side of the chart.
3. Record the length of your foot by reading the length line of your longest toe or, if between lines, read the next longest length line.
4. This chart is for choosing your latin shoe size. For modern size or other shoes size please see description of each style.

To ensure accuracy of this document
please confirm that the above marks
equal to 3 inches.
